- The clerk will check with Connected Kerb if they would pay some of the costs associated with the electricity infrastructure
- Funds can be temporarily moved from the contingency, NP Delivery and Administration budgets to pay the next invoice from Landbuild (due 31st July) – once the VAT is reclaimed in August these budgets would then be replenished
- The clerk to check the CIL funding calculation with CIL team at SDNPA

It was noted that a further grant of £17,500 is due from the Rees Jeffreys Fund once the car park is completed.

It was noted that Mark Weston had been commissioned to provide a noticeboard for the car park.

It was noted that works to complete the surfacing of the central strip in the car park would be paid from the SDNPA CIL funding received from the Strawberry Villas development.

GU closed the meeting at 11.10am
